Financial Services Guide

The purpose of this guide

This FSG sets out the services that we can offer you. It is designed to assist you in deciding whether to use any of those services and contains important information about:

- the services we offer you.
- how we and others are paid.
- any potential conflict of interest we may have.
- our internal and external dispute resolution procedures and how you can access them.
- arrangements we have in place to compensate clients for losses.

Statement of advice

You will receive a statement of advice (**SOA**) whenever we provide you with advice which takes into account your objectives, financial situation and needs. The SOA will contain the advice that we have given you, the basis of the advice and other information on our remuneration and any relevant associations or interests. This will enable you to make an informed decision about your insurance needs.

When you ask us to recommend an insurance policy for you, we will usually only consider the policies offered by the insurers or insurance providers that we deal with regularly. In giving you advice about the costs and terms of recommended policies we have not compared those policies to other policies available, other than from those insurers we deal with regularly.

Product disclosure statement

If we offer to arrange the issue of an insurance policy to you, we will also provide you with, or pass on to you, a product disclosure statement (**PDS**), unless you already have an up to date PDS. The PDS will contain information about the particular policy that will enable you to make an informed decision about purchasing that policy.

From when does this FSG apply?

This FSG applies from 12 December 2017 and remains valid unless another FSG is issued to replace it. We may give you a supplementary FSG. It will not replace this FSG but will cover services not covered by this FSG.

Western Insurance Brokers are authorised to provide advice on general insurance products for which we have attained accreditation. We will do this for you as your broker unless we tell you otherwise.

Will I receive tailored advice?

Maybe not in all cases. However, we may need information about your personal objectives, details of your current financial situation and any relevant information, so that we can arrange insurance policies for you or to give you advice about your insurance needs. We will ask you for the details that we need to know.

In some cases we will not ask for any of this information. If we do not ask, or if you do not give us all of the information we ask for, any advice you receive may not be appropriate to your needs, objectives and financial situation.

You should read the warnings contained in any SOA, or any other warnings that we give you, carefully before making any decision about any insurance policy.

If you wish to look at your file please ask us. We will make arrangements for you to do so.

How will I pay for the services provided?

For each insurance product the insurer will charge a premium that includes any relevant taxes, charges and levies. We often receive a payment based on a percentage of this premium (excluding relevant taxes, charges and levies) called commission, which is paid to us by the insurers. However, in some cases we will also charge you a fee. These will all be shown on the invoice that we send you. You can choose to pay by any of the payment methods set out in the invoice. You are required to pay us within the time set out on the invoice.

If there is a refund of premium owed to you as a result of a cancellation or alteration to a policy, we will retain any fee we have charged you. We may also retain commission depending on our arrangements with the insurer.

When you pay us your premium it will be banked into our trust account. We retain the commission from the premium you pay us and remit the balance to the insurer in accordance with our arrangements with the insurer. We will earn interest on the premium while it is in our trust account or we may invest the premium and earn a return. We will retain any interest or return on investment earned on the premium.

How are any commissions, fees or other benefits calculated for providing the financial services?

Our commission will be calculated based on the following formula:

$$X=Y\% \times P$$

In this formula:

X = our commission

Y% = the percentage commission paid to us by the insurer. Our commission varies between 10% and 30%.

P = the amount you pay for any insurance policy (less any government fees or charges included in that amount).

Any fees that we charge you will be between \$20.00 and \$50.00

We do not often pay any commissions, fees or benefits to others that refer you to us or refer us to an insurer.

If we do, we will pay commission to those people out of our commissions of fees (not in addition to those amounts), in the range of 2% to 10% of our commission or fees.

Our employees that will assist you with your insurance needs will be paid a market salary, they may also receive a bonus of between 2% to 10% in addition to their base salary.

If we give you personal advice, we will inform you of any fees, commissions or other payments we, our associates or anyone referring you to us (or us to any insurer) will receive in relation to the policies that are the subject of the advice.

See above for information on the Steadfast association and commission.

Do you have any relationships or associations with the insurers who issue the insurance policies or any other material relationships?

Western Insurance Brokers are a shareholder of Steadfast Group Limited (**Steadfast**). Steadfast has exclusive arrangements with some insurers under which Steadfast will receive between 0.5-1% commission for each policy arranged by us with those insurers. These payments are used to operate Steadfast.

Depending on the operating costs of Steadfast (including the costs of member services provided by Steadfast to us and other Steadfast shareholders) and the amount of total business we place with the participating insurers in any financial year, we may receive a proportion of that commission at the end of each financial year.

As a shareholder of Steadfast we have access to member services including model operating and compliance tools, procedures, manuals and training, legal, technical, banking and recruitment advice and assistance, group insurance arrangements, product comparisons and placement support, claims support and group purchasing arrangements. These member services are either funded by Steadfast, subsidised by Steadfast or available exclusively to shareholders for a fee.

Steadfast is also a shareholder of Miramar Underwriting Agency Pty Limited (**Miramar**). As a shareholder, Steadfast may receive dividends from Miramar. These amounts will indirectly contribute towards the benefits we receive from Steadfast.

Steadfast has a shareholding in Macquarie Premium Funding. If we arrange premium funding with Macquarie Premium Funding for you, under its agreement with Macquarie Premium Funding, Steadfast will receive 0.5% of your insurance premium (including government fees or charges). As an equity shareholder of Macquarie Premium Funding, Steadfast may also receive dividends from profits of Macquarie Premium Funding. The amount of the Steadfast dividend is based on the share of profit attributable to funding arranged by Steadfast shareholders. The payments (commission and dividends) that Steadfast receives from Macquarie Premium Funding are used to operate Steadfast. Depending on the operating costs of Steadfast and the amount of total business we place with Macquarie Premium Funding in any financial year, we may receive a portion of those amounts at the end of each financial year.

You can obtain a copy of Steadfast's FSG at www.steadfast.com.au

If we arrange premium funding for you we may be paid a commission by the premium funder. We may also charge you a fee (or both). The commission that we are paid by the premium funder is usually calculated as a percentage of your total funded insurance premium (including government fees or charges). If you instruct us to arrange or issue a product, this is when we become entitled to the commission.

Our commission rates for premium funding are in the range of 1% to 2% of funded premium. When we arrange premium funding for you, you can ask us what commission rates we are paid for that funding arrangement compared to the other arrangements that are available to you. The amount of our commission and any fee that we charge will set out in the premium funding contract.

Western Insurance Brokers (WIB) has entered into an agreement with Western Risk Services (WRS) to provide new products and services to clients of Western Insurance Brokers which will be underwritten by Hollard Insurance Company Limited.
